

# FORCEFIELD

VALUE  
FINISH  
QUALITY  
STRENGTH  
RELIABILITY

“A security solution with clear vision for your home.”

Prowler Proof offers you the innovative ForceField product, a unique, almost transparent, security barrier of the highest manufacturing and aesthetic quality.

Prowler Proof ForceField also provides the ultimate in security strength through its use of woven stainless steel that still allows clear views and breezes to pass through.

The combination of superior manufacturing and materials has created a durable and reliable product unequalled within the current market.

The high quality finish of Prowler Proof ForceField ensures that it will complement your home's interior and exterior design.

An investment in Prowler Proof ForceField will provide you with security that will not only enhance your lifestyle but also add value to your home.

“Achieve the style, reliability and strength that only ForceField can deliver.”

## FORCEFIELD:

- JUST LIKE AN INVISIBLE BARRIER
- RETAINS YOUR VIEWS
- SECURITY FOR EVERY SITUATION

## forcefield stainless steel woven security mesh

Twenty times stronger than your average security product, ForceField uses a 0.8mm thick wire of 316 marine grade stainless steel mesh that is linked using a synthetic compound into an extra heavy duty frame.

0.8mm 316 marine grade stainless steel mesh

Seamless robotically welded corners

Quality powder coat finish

High tensile heavy duty extruded aluminium
